*We, Sisters of Charity of Australia,  
welcome you to our Retreat Centre.*

# *Invitation*

Come as you are,  
open to God's love and compassion,  
open to hearing God's Word.

**How could time of quiet and stillness  
uplift and restore you?**

**What are your needs?**

**Where is your longing?**

## RETREAT OPTIONS

---

Include a morning, an afternoon, a day,  
a few (2 or 3) days up to 6 days.

All are welcome to come as individuals  
or with a friend or a small group of friends.

Across the years groups, who have come,  
have included those from Catholic Parishes,  
Christian Churches, prayer groups, interest groups,  
Religious Community groups, School Staff groups,  
Ecumenical and Inter-Faith groups, and the like.

You who have come to our Directed and Guided retreats  
in recent years are encouraged to come again.

Let us know a time suited to you during the year.  
We would appreciate knowing such **dates as soon as possible**, and we may gather a few of you together.

For the longer retreats we have live-in accommodation for  
up to 5 people. Two of the rooms are hermitage style for  
those seeking self-catering or greater privacy.

The Conference Room holds 15 to 20 people.

We offer a library of sacred books.

The Centre is available for bookings, when there are no  
other commitments.
